productivity

WHEN IT COMES TO SERVICE BEFORE, DURING AND AFTER THE SALE, STANDARD ELECTRIC DOES IT ALL!

Our experienced team of 18 engineers, with a broad spectrum of experience, offer you an educated and strategic approach to solutions. They are an enthusiastic and proactive team of engineers dedicated to providing you the support you need. Whether you need help with product evaluation, technical support or training, our engineers will customize solutions to meet your requirements. This means quicker time to production and improved productivity.

LOWER INVENTORY LEVELS AND REDUCE OPERATING COSTS WITH STANDARD ELECTRIC'S INVENTORY MANAGEMENT

Stock on hand is a major cost to your business. Excess inventory has a negative impact on your bottom line - and reducing inventory is one of the quickest ways to reduce your need for working capital. When it comes to inventory management, Standard Electric is here to help. We can implement an inventory management system, helping your business to run at peak efficiency. Our Inventory Management Team will keep the products you need in stock and organized, on-hand just in time, when you really need them.

24-Hour Hotline

support

BECAUSE YOUR BUSINESS REQUIRES AROUND-THE-CLOCK PROTECTION, OUR ENGINEERS ARE ON-CALL 24 HOURS A DAY, 7 DAYS A WEEK

At Standard Electric Supply Co. we are dedicated to helping you become more competitive and profitable. We understand - any downtime you experience can be a tremendous cost that directly affects your bottom line. That is why we offer a 24-Hour Emergency Hotline.

When you dial the 24-Hour Emergency Service Hotline, your voicemail triggers an immediate page to one of our knowledgeable, application-oriented engineers, who will respond to your call within minutes.
